FOURTH ORDER OF BUSINESS

Public Hearing to Consider Resolution 2020-01 Amending Operating Policies and

Procedure Relating to the District's Water and Sewer System

Mr. Flint stated we will open the public hearing for consideration of Resolution 2020-01 amending the operating policies and procedure relating to the District's water and sewer system. You authorized us to set a public hearing for the Board to consider the extension of the Reserve and Maintenance fees for the reserved wastewater capacity. There was a sunset provision in the original adoption, which had a sunset on October 31st so this amendment would extend the RAM fee with no sunset. The Board could rescind it at any time, but this approves it moving forward with no specific sunset provision.

There being no members of the public present to provide comment or testimony the Board took the following action.

On MOTION by Mr. Beucher seconded by Ms. Beucher with all in favor Resolution 2020-01 was approved.

Mr. Flint stated we will close the public hearing.

FIFTH ORDER OF BUSINESS

Consideration of Agreement with Berger Toombs Elam Gaines & Frank to Provide Auditing Services for Fiscal Year 2019

Mr. Flint stated next is consideration of the agreement with Berger Toombs to prepare the independent annual audit for Fiscal Year 2019. Fiscal year 2019 just ended on September 30th you selected Berger Toombs and solicited five years of pricing and this would be the first year and it is a not to exceed amount of \$3,500.

On MOTION by Mr. Beucher seconded by Ms. Miller with all in favor the engagement letter with Berger Toombs to perform the Fiscal Year 2019 audit was approved.

SIXTH ORDER OF BUSINESS

Staff Reports

A. Attorney

There being none, the next item followed.

B. Engineer

There being none, the next item followed.

C. Manager**i. Approval of Check Register**

Mr. Flint presented the check register from September 1, 2019 through October 18, 2019 in the amount of \$32,422.94.

On MOTION by Ms. Miller seconded by Ms. Beucher with all in favor the check register was approved.

ii. Balance Sheet and Income Statement

A copy of the balance sheet and income statement were included in the agenda package.

On MOTION by Ms. Beucher seconded by Mr. Beucher with all in favor the financials were accepted.

SEVENTH ORDER OF BUSINESS**Supervisor's Requests and Audience Comments**

Mr. Beucher stated we are seeing that as some of the homes in Venezia come in as the activity at the Mission Inn continues to rebound, our processing capacity is growing closer to our permitted levels of about 90,000 gallons per day. We engaged the original plant design/build firm and they have been talking with us about opening the large plant. We met several times with DEP, the plant has 870,000 gallon capacity, we will permit it for the 870,000 gallons, but there will be an interim level of about 499,000 gallons that allows us to grow under a set of rules and when we get to that 499,000 level then we have to transfer and go up and the rules get more extensive in terms of onsite supervision, hours of operation and extensiveness of operation. They also provided us at the request of the folks at some of the surrounding undeveloped landowners, estimates on plant expansion and they finished that work for us as well. The plant expansion expense I'm going to recommend that we put on the balance sheet because it has value to us. We will try to go back to Avanti who offered to pay a portion of that expansion estimate and see if we can't recapture some of that cost, that engineer's expense. The opening of the plant expense should go against the RAM fee because that is what it is intended to be for. I suspect that before the end of the next summer the new plant will be open. We are going to find that there is going to be some significant activation expenses, we won't know what they are, we are trying to get hard numbers for the engineering side, we are trying to get hard numbers for anything that is a given that has to be added that isn't part and parcel of the plant. What we

won't know is when we turn it on if this pump works or not or if that valve works or not. Some of this going into next year is going to be a little bit of unknown territory. We don't have anybody who operates the plant; we have somebody who tests at the old plant and it is going to be my recommendation that when we get to the point where we turn the new plant on that we hire a professional firm to be the operators. I don't think the Mission Inn has the knowledge and labor to operate the plant and the plant has to be operated, there has to be somebody onsite for so many hours and it will be driven by DEP. We will need to add a building as well for a desk and paperwork.

EIGHTH ORDER OF BUSINESS**Other Business**

There being none, the next item followed.

NINTH ORDER OF BUSINESS**Next Meeting Date****TENTH ORDER OF BUSINESS****Adjournment**

On MOTION by Mr. Beucher seconded by Ms. Miller with all in favor the meeting adjourned at 8:11 a.m.

The first part of the paper discusses the importance of understanding the underlying mechanisms of the observed phenomena. This involves a thorough review of the existing literature and a clear identification of the research gaps. The second part presents the methodology used in the study, which includes a combination of qualitative and quantitative approaches. The data collection process is described in detail, along with the statistical analysis performed. The results of the study are then presented, showing the significant findings and their implications. Finally, the paper concludes with a discussion of the limitations of the study and suggestions for future research.

The study aims to explore the relationship between the independent variable and the dependent variable, taking into account the moderating effect of the third variable. The research hypothesis is that there is a positive correlation between the two variables, which is stronger when the third variable is present. To test this hypothesis, a series of experiments were conducted, and the results were analyzed using regression analysis. The findings indicate that the hypothesis is supported, and the third variable indeed plays a crucial role in the relationship.

The results of the study have important implications for the field of research. They provide valuable insights into the underlying mechanisms and help to clarify the existing theories. The findings also have practical applications, as they can be used to inform decision-making and policy-making. However, there are some limitations to the study, such as the sample size and the potential for confounding factors. Future research should aim to address these limitations and further explore the relationship between the variables.

In conclusion, the study has successfully identified the relationship between the variables and the role of the third variable. The findings are significant and contribute to the understanding of the phenomenon. The study also highlights the need for further research in this area and provides a clear direction for future studies.

SECTION V

UTILITY SERVICE CAPACITY REPURCHASE AGREEMENT

Re: Agreement and Commitment for Utility Service—Mission Inn’s Las Colinas Project

THIS AGREEMENT is entered into as of the __ day of _____, 2020 (“Effective Date”), by and between Packing House By-Products Co., a Florida corporation doing business as Mission Inn Resort (“Developer”), and Central Lake Community Development District, a community development district organized and existing in accordance with Chapter 190, Florida Statutes (“District”).

PRELIMINARY STATEMENT

The Developer and the District have made the following determinations:

A. On August 1, 2005, the Developer and the District entered that certain Agreement and Commitment for Utility Service—Project Name: Mission Inn’s Las Colinas (“Service Agreement”), whereby the Developer obtained from the District the right to receive central wastewater collection and treatment services (“Services”) for 366 residential structures and approximately 64,000 square feet of commercial structures (together, the “Original Reserved Capacity”).

B. Of the Original Reserved Capacity obtained under the Service Agreement, the Developer currently retains the right to receive Services for a total of __ equivalent residential units (“ERUs”).

C. The Town of Howey-in-the-Hills (“Town”) has requested that the District authorize connection of a proposed library facility (“Library”) to the District’s central wastewater collection and treatment facilities.

D. The District desires to repurchase from the Developer, and the Developer is willing to retransfer to the District, the right to receive Services for a total of 6.3 ERUs in order to provide central wastewater collection and treatment facilities capacity to the Town for the proposed Library.

NOW, THEREFORE, in consideration of the mutual covenants and conditions contained in this Agreement and other good and valuable consideration, the receipt and sufficiency of which are hereby acknowledged, the parties agree as follows:

1. Recitals. The recitals set forth in the Preliminary Statement above are true and correct and are incorporated into this Agreement.

2. Repurchase of Capacity. The District agrees to repurchase from the Developer, and the Developer agrees to retransfer to the District, for a total consideration of Twenty Thousand

Five Hundred Forty and No 100s (\$20,540.00), the right to receive Services for a total of 6.3 ERUs of central wastewater collection and treatment facilities capacity ("Repurchased Capacity"). The District shall remit consideration in full to the Developer within thirty (30) days of the Effective Date of this Agreement.

3. Representations of the Parties. The Developer represents and warrants that the Repurchased Capacity is not encumbered in any way and that the Developer has full right and authority to effectuate retransfer to the District. The District represents and warrants that (a) the Repurchased Capacity will only be used to accommodate Services to the Town for the proposed Library and for no other purpose without the express written consent of the Developer, (b) the District will take such actions as necessary to assure that the Town assumes full responsibility for and promptly pays or assumes any and all obligations under the Service Agreement with respect to the Repurchased Capacity, and (c) by this Agreement the Developer shall be relieved of all liability to the District for the performance of any obligation under the Service Agreement that pertains to the Repurchased Capacity.

4. Entire Agreement; Successors and Assigns; Amendment. This Agreement (a) constitutes the entire agreement between the parties with respect to the subject matter of this Agreement and supersedes all prior oral or written agreements between the parties, (b) shall be binding upon and inure to the benefit of the parties' successors and assigns, and (c) may only be amended by written document, properly authorized, executed, and delivered by both parties.

5. Interpretation; Venue. This Agreement shall be interpreted as a whole unit, and section headings are for convenience only. All interpretations shall be governed by the laws of the State of Florida. In the event it is necessary for either party to initiate legal action regarding this Agreement, venue shall be in the Fifth Judicial Circuit, in and for Lake County, Florida.

6. No Waiver of Sovereign Immunity. The Developer agrees that nothing in this Agreement shall constitute or be construed as a waiver of the limitations on liability contained in Section 768.28, Florida Statutes, or other law.

7. Severability. The invalidity or unenforceability of any one or more provisions of this Agreement shall not affect the validity or enforceability of the remaining portions of this Agreement.

8. Public Records. The Developer shall allow public access to all documents, papers, letters, and other materials that are subject to the provisions of Chapter 119, Florida Statutes, and made or received by the District in conjunction with this Agreement.

[Signatures on following pages]

IN WITNESS WHEREOF, the parties have caused this Agreement to be executed as of the date first above-written.

**CENTRAL LAKE
COMMUNITY DEVELOPMENT DISTRICT
WATER & SEWER BUDGET**

REVENUES:

WATER REVENUE

Represents charges for potable water consumption to the District's utility customers. The fee is based upon adopted rates set by the District's Board of Supervisors.

SEWER REVENUE

Represents charges for wastewater treatment to the District's utility customers. The monthly fee is \$36.75 per residential sewer account for customers connected to potable water and sewer service and \$42 per residential account for customers connected only to sewer service.

WHOLESALE SEWER REVENUE

Represents sewer only charged to **Town of Howey in the Hills**, for meter sewer from the **School** based on monthly usage and **Boondocks Restaurant** which pays a flat rate per month.

MISSION INN IRRIGATION

Represents all the irrigation water used for Mission Inn Resort property.

LAS COLINAS HOA IRRIGATION

Currently there are 20 accounts, which represent irrigation water used by the HOA.

MISCELLANEOUS INCOME

Each new account that is added to the Utility System or change in resident is charged an activation fee. The District anticipates 4 new/changed connections for Fiscal Year 2020, and the current rate is \$50 per account. Also, included in this category is meter installation.
